The Honorable Dulce J. Foster
United States District Court Magistrate Judge

**Re: In re: Lindell Management LLC Litigation
Case No. 23-cv-1433 (JRT/DJF)**

Dear Judge Foster:

As requested, included here is the update on the discovery responses and documents that Lindell Management LLP was first ordered to provide on July 31, 2024 and then was subsequently ordered to provide on August 23, 2024.

The written responses have been provided. Lindell Management LLC has also produced documents in electronic format that we have not yet been able to review. I have been in touch with counsel for Lindell Management and we have agreed to continue to work through any technical or substantive issues related to the responses and productions.

Sincerely,

Cary Joshi
